HEADTEACHER

Ronald Openshaw Nursery School

Nursery School Context

Ronald Openshaw Nursery School is a specialist leader in Early Years SEND education, providing a warm, "safe and secure" environment in Stratford. The school offers outstanding practice for children with Complex Needs and Autism, sharing quality expertise across the sector.

Through an expert, teacher-led team, the nursery shares quality practice across the sector. It celebrates diversity as a core strength, ensuring every child becomes a confident, independent learner through high-quality, play-based discovery.

What we specialise in:

Inclusive Excellence & Specialist SEND: We are sector leaders in Early Years SEND, providing Outstanding practice for children with Complex Needs and Autism.

Froebelian & Play-Based Pedagogy: Our child-centered curriculum prioritises self-directed play. We nurture the "whole child," fostering the curiosity and independence.

Outdoor & Forest School Provision: Our outdoor environment and Forest School inspire discovery through nature. These first-hand experiences build physical confidence, resilience, and a lasting connection to the world around them.

Headteacher Profile

I have been at Ronald Openshaw Nursery for over 20 years and have worked as a class teacher, the SENDCo, Deputy Head and now Headteacher. I am proud to have been part of the growth and development of this little school.

We offer a play based curriculum that is not only inclusive but challenging for all, ensuring that the children here can play their way to success.

My background is in music education and I am passionate about ensuring that we offer opportunities to enhance creative experiences for the children. These range from exploring a wide range of different instruments, working with professional musicians and dance artists and going out to see performances near us.
